EducationUSA Hungary NewsL: Issue 11/2019

So Many Opportunities, So Little Time!

There are a number of exciting educational opportunities in the U.S. Find information on many of these throughout this week's newsletter.

Also, if you are an international student thinking about studying in the United States, join EducationUSA at 10 am on Thursday, October 17th to find out how U.S. campuses work with international students to help them with college admissions in the United States. Learn more about the application process and what documents are required. You can ask your questions in the comment section on the day of the program. facebook.com/EducationUSA

State Highlights

"America's Dairyland" is full of lakes, fresh produce, diversity, and incredible higher education institutions. Wisconsin

universities and colleges are known worldwide for their academic excellence and educational innovation.

Learn more about studying in Wisconsin here: <http://bit.ly/2mwahc6>

Tennessee is a beautiful state in the Southeastern United States in which over 10,000 international students have made their academic home. Tennesseans share an independent, can-do spirit and a love of music. From large research universities and ESL programs, to small private and community colleges, there is a Tennessee institution that is perfect for you.
