## EducationUSA Hungary NewsL: Issue 1/2020

### A New Year of Educational Excitement

You might be feeling down about the holiday break being over, but you should be excited because it means EducationUSA is up and running again! We are so excited to share even more workshops and resources with you this semester, starting with the 2020 Educatio Expo! The **EDUCATIO International Education Exhibition** provides an opportunity for you to connect with a multitude of educational organizations, institutions, and representatives. Get all of your questions answered about higher education, while also discovering new opportunities and resources for international studies. There will be more than 140 exhibitors there from 11 countries.

**Come connect at our booth with EducationUSA, Fulbright Hungary, FLEX program as well as our U.S. guest institution, the Wright State University!**

More info: <https://www.educatioexpo.hu/>

Our booth: HA15

Educatio Expo - January 9-11, 2020 - HungExpo Budapest

The 20th EDUCATIO International Education Exhibition is waiting for everyone who is interested in a vast variety of educational opportunities!

---

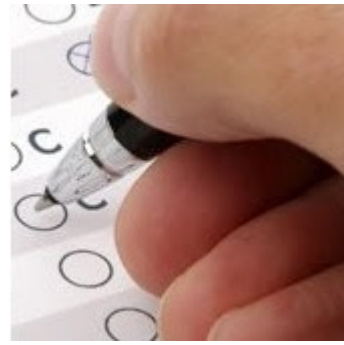

## Upcoming Workshops

We will announce the spring workshop dates in the next newsletter.

A full schedule of workshops can also be found on our [website](#) when it becomes available.

Registration for the workshops is required.

Please email or call our office to register.

## Study of the U.S. Institutes (SUSI)

The [Embassy of the United States of America](#) and the [Hungarian-American Fulbright Commission](#) are proud to announce the **2020 cycle of the Study of the U.S. Institutes (SUSI)**, which are short term special grants for [scholars](#), students and [teachers](#) funded by the U.S. Department of State.

[Study of the U.S. Institutes \(SUSI\) for Scholars](#) - intensive post-graduate level academic programs with integrated study tours for **foreign university faculty and other scholars**. The programs provide scholars the opportunity to deepen their understanding of U.S. society, culture, values, and institutions. The program will take place at various colleges, universities, and institutions throughout the United States over the course of six weeks beginning in or after June 2020. In 2020, SUSI programs will be on the following themes: **American Culture and Values; Journalism and Media; Religious Freedom and Pluralism; U.S. Economics and Business; U.S. Foreign Policy; Youth, Workforce Development and Closing the Skills Gap.**

**Deadline: January 15, 2020**

**More info about application procedure and eligibility:** <http://bit.ly/2rdme9g>

[Study of the U.S. Institutes \(SUSI\) for Secondary Educators](#) are intensive post-graduate level academic programs with integrated study tours whose purpose is to provide **foreign secondary school educators and administrators** the opportunity to deepen their understanding of U.S. society, culture, values, and institutions. The SUSIs for Secondary Educators will take place over the course of five weeks beginning in late May/early June 2020. Three Institutes for Secondary Educators will be offered, two with a focus on classroom teachers and the third with a focus on administrators including teacher trainers, curriculum developers, textbook writers, and ministry of education officials, among others.

**Deadline: January 15, 2020**

**More info about application procedure and eligibility:** <http://bit.ly/2RblyLj>

## State Highlights

California, the third largest state in the U.S., is a land famous for its exceptional opportunities. Often referred to as "The Golden State," California is truly a place where you can have it all — you can earn

a degree at the school of your dreams, revel in Hollywood glamour and glitz, bask in dreamy weather, and spend your weekends at the beach, desert, forest, or a snow-capped mountain.

Learn how you can study in California: <http://bit.ly/2tlcgmX>

Pennsylvania, one of the original 13 colonies of the United States, is known for many things, from its forests to its major cities to its chocolate factories to its world-class colleges and universities.

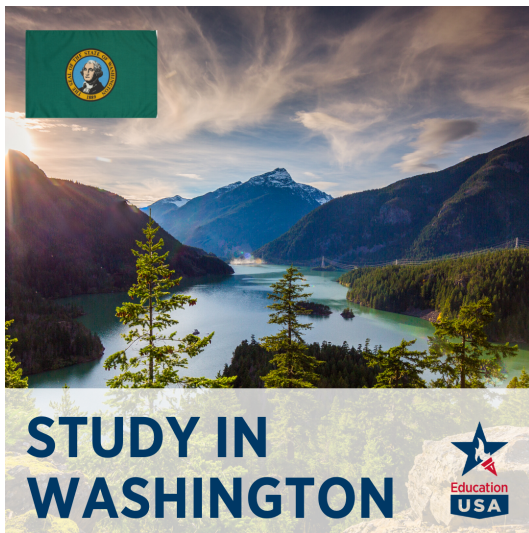

Discover why you should make Pennsylvania your higher education home: <http://bit.ly/2LGaqna>

South Carolina is rich in beautiful beaches and history. Get inspired by American southern-influenced arts and culture in the capital city of Charleston or bask in the sandy beaches along the coastline.

Check out one of the 61 colleges and universities in South Carolina here: <http://bit.ly/2YUJw0j>

Washington state is a great place to start your college career in the U.S. The universities in Washington benefit from the local economy, which includes global corporations such as Starbucks and Amazon. Washington is also the leading apple producer in America! Washington gets the nickname "Evergreen" due to the bountiful nature, including mountains,

lakes, and forests.

## News, Scholarships and Resources

### Public vs. Private University in the U.S.

In the United States, there is a difference between public and private colleges. Tuition, demographics, and campus life can vary between the two. Tuition costs are generally lower at public universities than they are at private schools. Remember, the best college is the one that's the best fit for YOU.

Read more here: <http://bit.ly/2Ey0sQU>

### What are Community Colleges?

There has been a lot of talk about community colleges lately, but what actually IS a community college? Community colleges offer associate degrees to students, which takes about two years to complete full time. It's usually the highest degree available, but students can also receive certificates and job training. Many students begin their postsecondary studies at community college before transferring to a four-year institution to pursue a bachelor's degree.

### Your Guide to Studying in the States

Do you ever wish you had a study guide to the U.S.? Well, you're in luck! This all-in-one guide walks you through preparation, travel to the U.S., studying in the U.S., student benefits, potential changes in status, and departure!

Check out the guide  
here: <http://bit.ly/2rEVBKI>

### International Student Stories

Hear from an international student! "I definitely recommend studying in the U.S. The quality of the education — I've never seen anything that can match up to this. You have access to all these resources and opportunities you would not get elsewhere."
