EducationUSA Hungary NewsL: Issue 6/2020

It is still possible to connect with us: **virtually.**

Due to the current health emergency situation, and the public closure of the Budapest University of Technology, including our building Z, offices of the Fulbright Commission will be closed until further notice.

The Fulbright Commission and the EducationUSA Advising Center will conduct all of its activities online, while the Fulbright-Prometric Testing Center will be completely closed until April 20, 2020.

In-person client service, personal appointments, workshops, computer-based practice are cancelled until further notice.

For more immediate response related to questions about the Fulbright program or general US university advising, please email to info@fulbright.hu or educationusa@fulbright.hu

For further information about delayed computer based exams (TOEFL, GRE, EPSO, etc.), please contact info@fulbright.hu or visit Prometric website: www.prometric.com/corona-virus-update

We will respond to your message as soon as possible.
Thank you for your understanding.

Keep Updated on COVID-19

News, Scholarships and Resources

How U.S. Coronavirus Measures Affect International Students

Good news for international students: admissions decisions are still academic decisions. "Coming from a country where coronavirus is present has no bearing whether students are admitted or not," states Kathleen Guthel, director of international and transfer admissions at Miami University-Oxford in Ohio in the latest U.S. News and World Report article about how U.S. coronavirus measures affect international students.

Discover Scholarship Opportunities for International Students

Did you know that the EducationUSA has many scholarship opportunities for international students? Learn how to discover them here: https://youtu.be/9_cz4h1aZd0

While applying, check out this U.S. News and World Report article for tips to make your scholarship application stand out: <http://bit.ly/32ISJdP>

Interested in Studying at a Women's College?

What is a women's college actually like? Hear from an EducationUSA adviser who attended Bryn Mawr College in the United States. Malate-Ann Atajiri, EducationUSA adviser for Nigeria states, "I enjoyed attending an all-women's college because I loved being surrounded by many intelligent and ambitious young women who pushed me to be my best in a nurturing and supportive environment. It was a sisterhood that created the enabling environment I needed to discover and become my best self."
