## Out-of-State Tuition Exemption Program

The purpose of the tuition fee exemption program is to provide international students attending any institution of the State University System of Florida (<https://www.flbog.edu/universities>) or community college the opportunity to pay in-state tuition rates. To qualify, the student must be a citizen of one of the countries recognized by the EELI. The selection process is highly competitive and awards are limited. Candidates are evaluated based on their academic record, area of specialization, and their aspirations for the future. The tuition exemption that is offered covers the out-of-state portion of tuition costs. Students are responsible for the in-state tuition costs.
