FYI - EdUSA Hungary's virtual workshops are over for the spring, but we are happy to send the PPT presentations of our TOEFL, GRE, SAT and Writing Workshops. We ask that anyone interested in these materials send us a request email at educationusa@fulbright.hu

NACAC Virtual College Fairs

NACAC's series of Virtual College Fairs continues with its final fair of Spring 2021. Common App is thrilled to support these virtual events, designed to help students connect with college admission officers and ask important questions about the application process.

Each fair offers students the opportunity to watch college's Zoom presentations, ask questions via chat, and demonstrate interest - all without leaving home. Students can sign up for free at virtualcollegefairs.org

May 2: 1:00 – 7:00 pm ET

*The NACAC is the National Association for College Admissions Counseling.

April 30th is **International Jazz Day!**

Jazz, having developed in the United States in the early 20th century, represents a monumental part of American's music history. This musical genre has influenced many others over the last century, including pop and rock, and today jazz is celebrated throughout the world. WHAT IS ACADEMIC INTEGRITY?

Learn how to avoid plagiarism
while at school in the U.S.

What is **academic integrity**?

In short, it refers to honesty and the respect with which students approach their studies.

The biggest threat to academic integrity is **plagiarism**, which is the act of claiming someone else's ideas or work as your own. U.S. colleges and universities take plagiarism very seriously and the consequences can range from failing an assignment or class to being expelled.

So, how can you avoid plagiarism?

- Many university websites provide international students with guidance on ways to avoid plagiarism.
- You can also find a university's academic integrity policy in its international student handbook.
- Many professors address plagiarism at the beginning of their course. When in doubt, ask for help!
