Our biweekly newsletter will give you some of our best tips and opportunities to prepare for U.S. study.

Join EducationUSA Hungary's virtual

COMPETITIVE COLLEGE CLUB

to gain the experience you need to apply to colleges in the USA

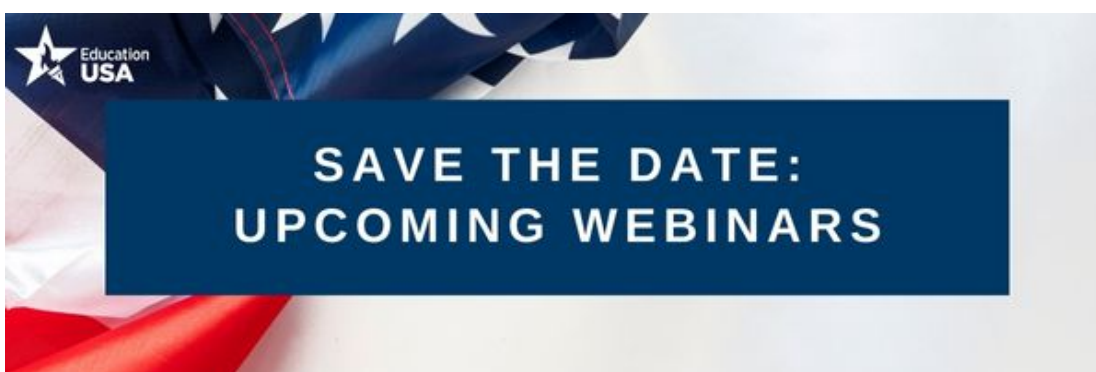

Applications are Open for Hungary's Competitive College Club (CCC)

EducationUSA Hungary's virtual **Competitive College Club (CCC)** is a national program organized **for Hungarian 10th and 11th graders** to learn about the U.S. college application process. Facilitated by native speakers, the CCC is designed to give you the preparation you need to create the best college application. As a participant, you will have access to exclusive bi-weekly online meetings that will include essay writing workshops, Q&A sessions with college representatives and Hungarian students studying in the USA, and presentations to assist you in understanding U.S. higher education and the application process. The cohort's first meeting will be in February, and the program runs through the end of May.

Application deadline: January 31, 2024

Student Success Story: Boglárka

Boglárka, a student from northern Hungary, worked with EducationUSA Hungary and is currently studying in the USA! She is featured in [this video](#) where she talks about her experience. Way to go, Boglárka!

"There is a huge potential in AI and applying it in different fields of our lives. I've been doing research in applying artificial intelligence, machine learning-based tools, and software to aid diagnosis and personalized medicine." –
Boglárka, Hungary, bachelor's in AI and computer science.

Are you looking to begin an undergraduate program in the United States? Check out the International Undergraduate GPA-Based Scholarship at Youngstown State!
