NYU Abu Dhabi Information Session

NYU's agreement with the Emirate of Abu Dhabi to create NYU Abu Dhabi is the outcome of a shared understanding of the essential roles and challenges of higher education in the 21st century: a common belief in the value of a liberal arts education, concurrence on the benefits a research university brings to the society that sustains it, a conviction that interaction with new ideas and people who are different is valuable and necessary, and a commitment to educating students who are true citizens of the world.

NYU Abu Dhabi is a research university with a fully integrated liberal arts and science college. It draws students from around the world, and prepares them for the challenges and opportunities of our interconnected world.

The Institute of International Education will be hosting an information session on the wonderful opportunities NYU Abu Dhabi has to offer.

Date: August 13, 2015 (Thursday)

Time: 17:00-18:30

Venue: Institute of International Education (Budapest, Vigyázó Ferenc utca 4. II/1)

Lewis-Clark State College (Lewiston, ID)

Lewis-Clark State College (LCSC) is one of the top public comprehensive four-year colleges in the

West (one hour plane flight from Seattle), with its beautiful campus, small classes, and superb faculty, LCSC is often described as a public institution with the feel and quality of a private college.

<http://www.lcsc.edu/>

LCSC offers a wide variety of athletic scholarships in a number of sports and we also offer a scholarship for all students with **GPA of 2.5 or higher**.

Initial international scholarship is **\$3500 per year**, but after one semester at LCSC it can increase based on GPA.

LCSC offers a wide range of 2 year and 4 year degrees and also a one year/semester Study Abroad in Idaho program (which can include ESL depending on the student's background). International scholarships apply to all these programs.
