EDUCATIONUSA NEWSLETTER

Dear Readers,

We hope you enjoyed your summer and got plenty of rest. The Fulbright EducationUSA Advising Center is now open and eagerly awaiting all those who are interested in US higher education opportunities!

Fall is right around the corner and so are the start of our new workshops! This semester we have the pleasure of hosting not one but three English Teaching Assistants. The workshop schedules will be on our website (www.fulbright.hu) as well as our usual EducationUSA Newsletter.

You will also have the chance to meet the EducationUSA team outside of the office at the upcoming Language Fair (Nyelvparádé) from the 11th till the 13th of September.

College Information Session

Lewis-Clark State College (Lewiston, ID)

The Fulbright EducationUSA Advising Center is very happy to **host Mr. Steve Arnold** (Director of International Programs at LCSC), **who will be presenting on undergraduate opportunities at Lewis-Clark State College.**

Lewis-Clark State College (LCSC) is one of the top public comprehensive four-year colleges in the West (one hour plane flight from Seattle), with its beautiful campus, small classes, and superb faculty, LCSC is often described as a public institution with the feel and quality of a private college

2016 Whitaker International Program

The online applications for 2016 Whitaker International Program awards are now open. Administered by the Institute of International Education, the Whitaker International

Program provides funding for **biomedical engineering/bioengineering students** and post-docs to conduct a field-relevant activity abroad.

Whitaker International Program grants are awarded based on an activity/project proposal that is relevant to biomedical engineering. We hope to offer at least 40 Fellow and Scholar grants annually; only the highest-quality applicants are awarded. In the last competition cycle, more than 30 grants were awarded, and we encourage all students/post-docs/junior faculty who are considering a period of study or research abroad to apply.

Awards have included research in heart blood flow, pursuing a Master's in Bioscience Enterprise, a policy project on investment in biomedical devices, improved prosthetic leg design, and development of affordable oral cancer screening tools. Projects can occur worldwide, and have taken place in the UK, Chile, Denmark, India, South Africa, and Singapore among many other venues.

Whitaker
International Fellows And Scholars
Program

The application deadlines are as follows:

- Fellows and Scholars Program deadline: **January 19, 2016**
- Summer Program deadline: **February 2, 2016**
