### Announcements

#### Portrait of Green River College

Inside Higher Education recently published an [in-depth article](#) about the success – and resulting challenges – that Green River College in Washington has been facing as a result of attracting so many international students.

#### Open MOOC Courses

A massive open online course (MOOC) is an online course aimed at unlimited participation and open access via the web. In addition to traditional course materials such as filmed lectures, readings, and problem sets, many MOOCs provide interactive user forums to support community interactions among students, professors, and teaching assistants.

This site also offers a [MOOC Report](#), listing the most popular courses starting each month on various platforms.

And as always, EducationUSA keeps an online database of scholarship opportunities; interested students are welcome to check it out at: [www.educationusa.state.gov](http://www.educationusa.state.gov)

Have a great week!
