## EducationUSA Hungary NewsL: Issue 6/2017

### Six Myths About Choosing a College Major

As college inches closer and closer, many students stress and worry about their choice of major. However, American universities do not require you to choose a major from the beginning, and fully a third of students change their minds at least once. The New York Times put together an article collecting [myths about college majors](#), including that STEM majors offer might higher salary opportunities, that liberal arts majors are unemployable, and that you even need a major in the first place. If you're unsure about your choice of major, keep these tips in mind!

**Please note:** The EducationUSA Advising Center  
will be **closed** from **Dec. 20th to Jan. 3rd** for the holidays.
