EducationUSA Hungary NewsL: Issue 3/2018

WE ARE MOVING!

Next week, EducationUSA, the Fulbright Commission, and the Testing Center will all move to our new location at:

MOME/BME Building Z
([1111 Budapest Bertalan Lajos utca 2. 9th floor](#)).

Due to the move, **our office will be CLOSED the week of February 19th-23rd**. We encourage you to come visit our new office as of Monday, February 26th.

Our e-mail, phone numbers, and social media contacts remain the same, and can be found at the bottom of this e-mail.

Upcoming Workshops

Interested in studying in the United States?

Prepare yourself by joining us **in our new location** for one of our informational workshops. Sharpen your essay skills in our Writing Workshop or prepare for the tests you may need to take to study in the U.S., such as the SAT or the TOEFL. Register for one or more today!

- SAT Test Preparation and Study Skills
Tuesday, February 27th, 2:30-4:00 p.m.

News and Resources

Calling all lawyers!

Ohio Northern University's L.L.M program in the Rule of Law is a one-year program for foreign lawyers committed to promoting governance and rule of law reform in their home countries. Students in the program come from 36 different countries. Now, ONU has also launched a pre-LLM English and Legal Study program to improve academic and legal English skills before beginning. Learn more at <http://llm.onu.edu>.

High School in the United States

Why wait until college to study in the United States, when you can go in high school? [Cogito World Education](#) offers support in applying to American high schools, finding scholarships, setting up host families, and help with visas. Options include boarding schools, day schools, and summer programs.

How to Prepare for a College Interview

Interviews can be an important component in the college admissions process, and just because you are an international student does not mean you can't do an interview! Many universities use their alumni network to conduct interviews overseas, or rely increasingly on video conferencing technology. No matter the format, is important to be prepared for a college interview. [This article](#) in U.S. News and World Report gives advice and some useful examples of the most common questions asked of international students.

“The goal of education is the knowledge, not of facts, but of values.”
