EducationUSA Hungary NewsL: Issue 8/2019

Summer is Here!

The weather is warm, the sun is shining, and Budapest is bustling once again. The academic year has drawn to a close, and with it, so does my time in Hungary as this year's Fulbright English Teaching Assistant and editor of this newsletter. The newsletter will take a short break over the summer, and will begin again in the fall in the capable hands of next year's editor and ETA, Victoria.

I have so enjoyed working with many of you! Who knows, maybe one day I will see you in the States. Have a wonderful summer, and don't hesitate to contact EducationUSA if you need anything over the next few months.
