

FULBRIGHT ANNOUNCEMENT ROADSHOW

The Fulbright Commission in Hungary has started a series of short seminars about the Fulbright Program, grant possibilities and application procedure for Hungarians for AY 2012-2013.

Information seminars will be presented at eleven university sites all over the country. Current U.S. and former Hungarian grantees talk about their Fulbright experience at all sites. Four institutions were visited up to date.

First site of the announcement roadshow was in Budapest, on March 24, at the offices of the Commission. There were about 40 in the audience at Dr. Huba Brückner's presentation.

HVG JOB FAIR - NATIONAL TRAINING AND CAREER DAYS

The HVG Job Fair is one of the biggest career and training fairs in Hungary. The 2011 Spring fair was organized on 24-25th March in Budapest.

300+ visitors stopped by at Fulbright EducationUSA booth.

LATEST EVENT OF THE MEET THE SCIENTIST PROGRAM

Dr. István Szendrő, physicist met students of the Lovassy László High School in Veszprém on March 23, 2011. Dr. Szendrő talked about tools of everyday life like solar cells, cable TV, bio-sensor, plastic bags.

Be Hungarian or American, former or present - Fulbrighters are active in Hungary both professionally and socially. Read about their daily and special activities, learn how they fill in their Fulbright mission.
