MONMOUTH COLLEGE INTERNATIONAL BACCALAUREATE MERIT SCHOLARSHIPS

Monmouth College has a longstanding tradition of welcoming students from every part of the world. We know that international diversity within our student body benefits all students, inside the classroom and beyond. When engaged and enthusiastic young people from many countries and many cultures study, reflect, and socialize together, good things happen – friendships are established, understanding is increased, communicative skills are enhanced, patience is deepened, and an endlessly rewarding curiosity about the world bursts into life.

Merit Scholarships for International Baccalaureate Students will be awarded to admitted international applicants who have completed the IB Diploma program at an IB World School. Award amounts will vary, with a minimum of \$15,000, and may be renewed for up to three additional years of study. The applicant should provide proof of graduation from the IB World School in the form of the high school transcript (course marks), sent directly from the high school itself. The student applicant does not need to demonstrate financial need to be eligible for this scholarship. Monmouth College welcomes IB students!
