MOUNT HOLYOKE EXTENSION PROGRAM OFFERS SUMMER CREDIT

This summer, the Mount Holyoke Extension Program will offer college-level courses for academic credit for students of high school and college age and beyond. More than 25 courses across disciplines are now open for online registration.

Mount Holyoke Extension operates a wide array of programs—including professional development, vocational training, and courses in the liberal arts—designed to provide a high-quality education to students beyond Mount Holyoke College's traditional core student body.

CONCORDIA UNIVERSITY ADDS ACCOUNTING MAJOR

Concordia University has recently added accounting as a third option for a School of Management major, joining marketing and business administration. With a degree in accounting from Concordia, you'll be prepared for a broad spectrum of career paths – from start-ups, major corporations, and non-profits to auditing firms and government agencies.

Our courses provide both the knowledge and the career experiences required to position you for an array of opportunities – all leveraging your accounting skills and on-the-job know-how.

By developing an accounting major, we have increased the number of program electives and added to our highly skilled faculty. As a result, whichever business major or minor you select, you will be able to take advantage of the right courses for today's global economy.

SYRACUSE UNIVERSITY OFFERS SUMMER ENGLISH SEMINAR FOR INTERNATIONAL STUDENTS

Come to Syracuse University this summer for two-week English immersion program that provides English language instruction and the opportunity to learn more about the culture. You can visit up to seven college campuses in the northeastern United States to see how different they are from universities abroad, and decide which schools best meet your individual needs and goals. Experience residential life on the SU campus, and take classes that will prepare you for the college application process. Visit our website for a full list of offered courses as well as registration details. Orientation for this program is on Sunday, July 14. The program ends on Friday, July 26.

CCI GREENHEART OFFERS INTENSIVE SUMMER ENGLISH ACADEMY PROGRAM

CCI Greenheart's Summer English Academy Program offers an intensive English language program exclusively for teenager's ages 14 to 18 years old. Participants have the opportunity to live and study with other international teens on beautiful boarding school campus, study English, see New York City or San Francisco and participate in fun, cultural afternoon activities. These two and three-week courses are led by certified ESL teachers who offer creative language lessons with a focus on conversational skills and provide English speaking opportunities at all times: meals, activities and class. Each day students participate in recreational activities on and off campus and excursions each weekend. Enrollment is on a first-come, first-serve basis, there are still a few spaces left!

2013 Program Dates:

New York: July 13 - July 27 (two-weeks)

San Francisco: July 26 - August 16 (three-weeks)
