## EducationUSA Hungary NewsL: Issue 13/2021

Welcome back everyone from the EducationUSA team, we hope your holidays were eventful and exciting! Budapest seems to be teeming with life with many exciting events around the corner.

### 2021-2022 Newest Advisor

Dear EducationUSA students and families,

It is my great honor and pleasure to join the EducationUSA team this Fall as a 2021-2022 Fulbright grant recipient. My

name is Joseph Anguiano and I am originally from Denver, Colorado. I received my bachelor's degree from the University of Maryland. After teaching English in Japan for four years as well as Italy and Poland I returned the United States for one year and completed my Master's Degree in Education at Liberty University. My passion lies in education, and I have continued to do my best to help students achieve their goals and reach their highest potential.

For the next 10 months you can find me at the EducationUSA office here in Budapest, as well as teaching American Studies courses at Eötvös Loránd University. I am excited to meet everyone and guide students towards taking their next steps in their lives and educational careers. Please feel free to contact me at [janguiano@fulbright.hu](mailto:janguiano@fulbright.hu) with any questions!

Best regards,

Joe Anguiano

## Upcoming Workshops

These workshops provide an overview of the tests and important test-taking strategies. The workshop leader is a native speaker of English who has advised and taught college writing and now teaches university-level courses in Hungary. He will be available to provide assistance and feedback.

### SAT Workshops in September:

**Sept 16, Thursday, 3:30 p.m. (IN-PERSON EVENT)**

Location: Fulbright EducationUSA – 1111 Budapest Bertalan Lajos utca 2. BME Building Z. 9<sup>th</sup> Floor, Room 901. To register, send email to: [educationusa@fulbright.hu](mailto:educationusa@fulbright.hu)

**Sept 21, Tuesday, 4:30 p.m. (ONLINE EVENT)** (<https://zoom.us/j/3704067120>.)

### News, Scholarships, and Resources

#### Dual Major in the United States

Did you know that U.S. college and university students can major in more than one

subject? U.S. colleges tend to give you the flexibility to declare your major after matriculation and to even pursue two majors or degrees.

Colleges that have a U.S. liberal arts curriculum typically put in place what are known as distribution requirements – courses or subjects students are required to take to graduate – that span academic departments outside of the major, in addition to the requirements for a student's major. This encourages students to expand their intellectual interests before focusing on a single area of study.

But students attending college in the U.S. can also choose to major in two different subjects. A dual major or degree can bring some additional positives for [international students](#), including the following benefits.

Learn more about the benefits of a dual major [here](#)

## Financial Aid

Finding scholarships for international students may seem next to impossible, but they do exist. As prospective undergraduate students research their options for studying in the U.S., they should be aware of what might land them a coveted scholarship award. Explore this guide on obtaining a scholarship [here](#).

---

## Applying for Medical School in the United States

International students often struggle to find support they need to get into U.S. medical schools; F-1 doctors was created to help. F-1 doctors is a web-based platform focused on helping non-U.S. citizens apply to health professions schools in the United States. F-1 Doctors, named after the type of visa international students must obtain, offers guidance, resources, and visibility for non-U.S. applicants to health care professions programs. The platform offers resources specific to applying as an international student, including webinars, a custom-built Excel spreadsheet of medical schools that accept international students and their respective financial aid policies, and links to private institutions that provide loans to non-U.S. citizens. Read further about [F-1 doctors](#).

## Scholarship Alert

The application for the 2022 Cohort of [Knight-Hennessy Scholars](#) is open!

Currently accepting applications for the Knight-Hennessy Scholars program 2022 Cohort.

The [Knight-Hennessy Scholars](#) program cultivates and supports a highly-engaged, multidisciplinary and multicultural community of graduate students from across Stanford University, and delivers a diverse collection of educational experiences, preparing graduates to address complex challenges facing the world. Knight-Hennessy Scholars participate in an experiential leadership development program known as the King Global Leadership Program and receive funding for up to three years of graduate study at Stanford. Two applications must be submitted separately; one to Knight-Hennessy by **October 6, 2021, 1 pm PST**, and one to the Stanford graduate degree program by its deadline. Visit [kh.stanford.edu](http://kh.stanford.edu) to learn more and apply.

You can find more information about [eligibility](#), [evaluation criteria](#), and the required [application materials](#) on our website. We appreciate your support, and we thank you for helping us identify inspiring leaders who will address our world's most important challenges!

### Schools in Focus

Study in Iowa! The state of Iowa offers international students 60 colleges and universities from which to choose. 11,603 international students' study in Iowa every year. Fun fact: Iowa is home to nearly 2,000 kilometers of fitness trails for cycling, inline skating, jogging, or walking. Learn more here: <https://bit.ly/2SMOEoC>

#### Iowa State University

Type: Large public university

Location: Ames, Iowa

Enrollment: 29,248 undergraduates

International Scholarships: Merit-based scholarships available

Application Requirements: Application requirements found [here](#).

### Application Advice Corner

**International students placed on waitlists can still get visas and financial aid after they're admitted. When a student is placed on a [college](#) or [graduate school](#) waitlist, it means he or she has not been formally accepted but may be offered admission as spaces become available**

**University enrollment targets-** International applicants may worry about being at a disadvantage if they eventually find themselves on a waitlist that includes domestic students. Experts say schools don't typically differentiate between wait-listed international and U.S. students but may have varying enrollment goals that have an impact on admissions decisions.

**Student visa considerations-** Prospective international students may also be concerned that being wait-listed means they may not have time to secure a visa once they are off the waitlist.

**Financial aid.** Experts say prospective international students should be aware that if they are placed on a waitlist and eventually admitted, they can still get financial assistance and scholarships at schools that offer financial aid to international students.
