I. Financial Aid

NORTHERN STATE UNIVERSITY WOLFPACT SCHOLARSHIPS

Welcome to Northern State University, a school that has been recognized nationally as one of the most affordable institutions in the Midwest. Since its inception in 1901, NSU has been dedicated to providing a superior education. At NSU, you'll be more than just a number. You will belong. Be you. Be us. Be Northern.

Northern State University's WolfPACT Scholarship is the largest guaranteed scholarship in South Dakota. NSU is offering more money to college students when they need it the most! The WolfPACT program is simple. It is for new freshman undergraduates and is based on ACT or SAT scores. This scholarship is worth up to \$12,000 per academic year, which would bring the total cost of tuition, fees, housing, meals, books, and health insurance to only \$6,000 per academic year at Northern!

UNIVERSITY OF WISCONSIN OSHKOSH PARTIAL TUITION REMISSION SCHOLARSHIPS

Among the largest public universities in the state, UW Oshkosh is committed to providing students with a broad knowledge base and transferable skills as well as a strong sense of values and ethics that prepares them for civic leadership in society.

International students applying to the University of Wisconsin Oshkosh can complete this scholarship application at the same time that they complete the application process to request admission to the university. Students must be admitted to UW Oshkosh in order to be considered for an International Student Partial Tuition Remission Scholarship. Scholarship awards will be determined after the admissions decision is made. The decision to award this scholarship is based on financial need, academic achievement, English proficiency examination results, and community involvement/school activities. Funds received from this scholarship will help offset the non-resident portion of tuition and will be directly applied to the student's account.

WAYNE STATE UNIVERSITY DEPARTMENTAL SCHOLARSHIPS AND FELLOWSHIPS

Wayne State is dedicated to preparing students to excel by combining the academic excellence of a major research university with the practical experience of an institution that by its history, location and diversity represents a microcosm of the world we live in. Reflecting its location and the excellent international reputation of its graduate schools, particularly in the sciences, Wayne State boasts the most diverse student body among Michigan's public universities.

There are scholarships and fellowships awarded through some university schools, colleges and departments that do not include citizenship or permanent resident status as a criterion. WSU schools, colleges and academic departments award their own departmental scholarships. If you have questions concerning these scholarships, please contact the department office directly.

NORTHEASTERN UNIVERSITY ASSISTANTSHIPS

Founded in 1898, Northeastern University is a private research university located in the heart of Boston. Northeastern is a leader in worldwide experiential learning, urban engagement, and interdisciplinary research that meets global and societal needs. Our broad mix of experience-based education programs—our signature cooperative education program, as well as student research, service learning, and global learning—build the connections that enable students to transform their lives. The University offers a comprehensive range of undergraduate and graduate programs leading to degrees through the doctorate in nine colleges and schools.

Northeastern offers Teaching/Research Assistantships, Stipended Graduate Assistantships and Tuition Assistantships. These positions and awards are offered directly by the individual graduate schools or academic departments. Students seeking such assistance should contact their graduate school for an application and eligibility criteria. Any tuition remission, stipend award and/or housing compensation will be incorporated into the student's financial aid package as a resource. Students who receive these forms of assistance may have reduced eligibility for need-based aid.

RUTGERS UNIVERSITY FELLOWSHIPS, ASSISTANTSHIPS, AND SCHOLARSHIPS

Our mission at Graduate and Professional Admissions is to assist students interested in graduate or professional study to find the right program and then to support and guide you through the application process. With nearly 14,800 graduate and professional students from around the world, Rutgers is a leading public research university with graduate programs on campuses in New Brunswick, Newark, and Camden—and beyond.

Merit-based assistance includes fellowships, assistantships, and scholarships. You are automatically considered for university-based fellowships, assistantships, and scholarships at Rutgers University. The availability of merit-based assistance varies significantly by field of study.

SIENA HEIGHTS UNIVERSITY TEACHER EDUCATION, EDUCATIONAL LEADERSHIP RECEIVE ACCREDITATION FROM TEAC

The University recently learned it received full national accreditation for both its Teacher Education and the Educational Leadership programs. The Teacher Education Accreditation Council informed SHU that both programs received accreditation. The Teacher Education program received a full seven-year accreditation while the Educational Leadership program was granted five-year initial accreditation from TEAC's accreditation committee.

SHU's Director of Undergraduate Teacher Education Sally Rae said she was pleased with the overall process and the outcome for both programs. "We are thankful for those at Siena Heights and the Lenawee community who shared in the two self studies and who helped prepare for accreditation," said Rae, who also credited Dean of the Graduate College Dr. Anne Hooghart and former Graduate Teacher Education Director Dr. Kelly Cichy with their leadership during the process. Rae said the university received official word about its accreditation from TEAC Executive Vice President Diana Rigden. SHU earned the longest duration of accreditation offered by TEAC for both programs.

MONMOUTH COLLEGE NEW SCIENCE CENTER

Monmouth College dedicates new Center for Science and Business on Friday, May 10. Programs in the new building foster interdisciplinary collaboration between biology, biochemistry, chemistry, psychology, physics, computer science & mathematics and business, economics and accounting.

"Monmouth College has audacious goals," said President Mauri Ditzler. "We expect that the Center for Science and Business is going to produce graduates who will change the world. It seems entirely appropriate that our keynote speaker has written a book titled 'You Can't Dream Big Enough,' and that he's also happened to spend his career at the intersection of science and business."

NUMBER OF INTERNATIONAL STUDENTS AT ARIZONA STATE UNIVERSITY INCREASES BY 16%

The number of international students at Arizona State University increased this year, as did the number of services it makes available to help those students feel at home. Of the 72,254 students at ASU this semester, 6.1 percent were international students. That is a 16 percent increase from the year before.

ASU welcomes these students and encourages them to get involved by participating in clubs and organizations and interacting with other students of similar and different cultures and ethnicities, according to OrgSync, a clubs and organization tool offered through ASU.
